

## **JORDI VILANOVA AND ENRICO RAGGINI JOIN SPAMINA**

**As Marketing Director and Vice-President of Sales for EMEA,  
respectively**

Jordi Vilanova

Enrico Raggini

Spamina, a company that develops innovative Cloud Email Security solutions, has announced the addition of Jordi Vilanova and Enrico Raggini to its management team.

Jordi Vilanova joins Spamina as Marketing Director and Enrico Raggini will be the new Vice-President of Sales for EMEA. Both have the fundamental objective of contributing to the strong expansion that Spamina is experiencing based on an ambitious growth and internationalisation project the company implemented and which has enabled it to have a presence in several European and Latin American countries.

Jordi Vilanova will be responsible for leading the international expansion from a marketing perspective and will be at the head of the important projects Spamina is carrying out in Europe as well as in Latin America to boost the market penetration of its Cloud Email Security solutions.

Previously, Vilanova worked for the wholesaler Diode Spain as Head of Marketing and prior to that, he was with Sybari - a company that specialises in corporate email security solutions which was absorbed by Microsoft.

For his part, Enrico Raggini will coordinate the Spamina sales strategy in Europe, especially in the countries where it is already present such as Italy, France, Great Britain, Portugal and Germany and will boost penetration in other markets on the continent either directly or through partners. Raggini comes from Optenet, an information security company, where he was responsible for Southern EMEA sales for more than 8 years. Enrico Raggini is an Electrical Engineer with a degree from the Università degli studi Bologna (Italy) and an MBA from the Instituto de Empresa (Spain).

### **About Spamina**

Spamina is a company that develops and delivers innovative E-mail security solutions in Public Cloud, Hybrid and Private Cloud environments. Spamina's solutions are designed for all types of businesses and MSP's/ISP's with solutions for Email Firewall, Archiving, Encryption and DLP (Data Lost Prevention) aimed at ensuring that system administrators and users have secure protection, management, and total control of their email.

Spamina (Aegis Security) has offices in Barcelona, Madrid, Milan, Paris, Reading (UK), Buenos Aires, Sao Paulo, Mexico City and San Francisco (USA). Its products and services are distributed through major authorized partners.
